JOSEPH S. VALACICH

MIS Department / Eller College of Management
The University of Arizona
McClelland Hall Rm 430L
PO Box 210108 / 1130 E. Helen St.
Tucson, AZ 85721
Phone: +1.520.621.0035; Fax: +1.520.621.2433
 Email: valacich(AT)arizona(DOT)edu   Website: https://eller.arizona.edu/people/joseph-valacich

ACADEMIC AND PROFESSIONAL EXPERIENCE

University of Arizona, Eller College of Management, Tucson, AZ, 2011–present.
- Muzzy Endowed Chair, 2023-present; Gary M. Munsinger Professor of Entrepreneurship and Innovation, 2021-23; Eller Professor of MIS, 2011-13; 14-21; Valaski Professor of MIS, 2013-14.

University of Arizona, Department of System and Industrial Engineering, Tucson, AZ, 2022–present.
- Associate Professor, 2022-present (courtesy appointment).

Neuro-ID, Inc., 2014-present.
- Co-Founder, BoD Chairman & Chief Science Officer (CSO). Software for interpreting human intent and fraud potential via human-computer interaction devices.
- Issued patents:
  - US10524713B2—Identifying Deceptive Answers to Online Questions through human-computer interaction data. Issued: 2020-01-07. Expires: 2034-12-26.
  - US10248805B2 – Fraudulent Application Detection System and Method of Use, Issued: 2019-04-02. Expires: 2035-03-22.

International Appointments
- *Harbin Institute of Technology***,** China: Visiting Scholar; 2018-ongoing.
- *City University of Hong Kong*: Visiting Scholar, 1999, 2007; Program Advisor 2014-19.
- *Riga Technical University*, Latvia: Mixed lecture and distance learning-based MBA course in IT Management and Entrepreneurship, 2005-2014.
- *The Norwegian University of Life Sciences*: Visiting Professor (visiting professor). 2008-11.
- *Buskerud College*, Kongsberg, Norway: Hybrid course (8-weeks). 2001-05
- *Helsinki School of Economics and Business Administration*, International MBA Program, Mikkeli, Finland, Visiting Professor, 1997-98, 2000.

Washington State University, College of Business and Economics, Pullman, WA. 1996 – 2011.
- The George and Carolyn Hubman Distinguished Professor in MIS, 1996-2011; The Marian E. Smith Presidential Endowed Chair, 2000-05 (rotating chair).
- Member of the WSU Graduate Faculty, 1996-2011.

Indiana University, School of Business, Bloomington, IN. 1990-96.
- Sanjay Subhedar Faculty Fellow, awarded in January 1996.
- Associate Professor (*early promotion*), 1995-96; Assistant Professor, 1990-95.
- Graduate Faculty, 1990-96. MBA Core Faculty, 1991-96. Executive Ed. Faculty, 1994-96.
- Co-Coordinator of MBA Digital Communications Academy, 1994-96.

University of Arizona, School of Management & Policy, Tucson, AZ. 1986-90.
- Visiting Assistant Professor, Management Information Systems, 1989-90.
- Research Associate (and PhD student), Management Information Systems, 1986-89.
  Designed, developed, and managed the development of GroupSystems software modules. Assisted in the transfer of GroupSystems to IBM, resulting in IBM TeamFocus product. Technical coordinator/investigator for several grants with IBM, National Science Foundation, and U.S. Army I.S. Command.

PACCAR Financial, Seattle WA. 1986.
- Business Systems Coordinator
  Analyzed, designed, and managed the development and maintenance of a large financial system. PACCAR is the parent of Kenworth and Peterbilt Trucks.

Ascend Systems, Bellevue, WA. 1985-86.
- Founder / Product Manager / Software Engineer.
  Managed and developed a microcomputer-based CAD system for startup.

City University, Bellevue, WA. 1985-86.
- Lecturer in Computer Science Department

Seattle Computer Products, Seattle, WA. 1983-85.
- Technical Applications Manager, 1984-85. Customer & Internal Training Supervisor, 1984.
- Systems and Applications Programmer, 1983-84.
  Seattle Computer was a pioneer microcomputer-based hardware and software products; in 1982 they developed Q-DOS which evolved into Microsoft's MS-DOS / Windows.

EDUCATION

Ph.D.   University of Arizona, Tucson.
Major:	Management Information Systems.
Minor:	Operations Management / Research.
Dissertation title:	*Group Size and Proximity Effects on Computer-Mediated Idea Generation: A Laboratory Investigation*
Chairperson:	Jay F. Nunamaker, Jr.

MBA   University of Montana, Missoula.
Major:	General Management.

B.S.   University of Montana, Missoula.
Major:	Computer Science.

PROFESSIONAL ASSOCIATIONS

- Association for Information Systems (AIS) (Founding and Distinguished Member – Cum Laude)
- The Association for Computing Machinery (ACM)
- National Academy of Inventors (NAI)

AWARDS AND RECOGNITION

- 2022, **Leo Award**. *Association for Information Systems (AIS)*. https://ishistory.aisnet.org/awards/leoaward/ AIS's Award for Lifetime Achievement.

- 2021, **AIS Impact Award for Research Beyond Academia – Neuro-ID Behavioral Analytics**. *Association for Information Systems (AIS)*, https://ishistory.aisnet.org/awards/ais-impact-award/

- 2020, **Startup of the Year – Neuro-ID, Inc**. *Tech Launch Arizona* (University of Arizona), I-Squared (Innovation & Impact) Award. https://techlaunch.arizona.edu/i2/isquared-awards.html#neuro-id

- 2020, **Best Paper Award**. Sleight of hand: identifying concealed information by monitoring mouse-cursor movements. Journal for the Association for Information Systems. https://aisel.aisnet.org/jais/about.html

- 2020, **Fintech Innovator of the Year Finalist (Neuro-ID)**. *Lendit Fintech Industry Awards*. September 22. https://www.lendacademy.com/lendit-fintech-industry-awards-2020-finalists-announced/

- 2020, **Senior Member**. *National Academy of Inventors*. https://eller.arizona.edu/news/2020/02/professor-management-information-systems-named-senior-member-national-academy-inventors

- 2018, **European Research Paper of the Year**. *CIONET.* http://www.cionet.com/erpoty/.

- 2018, **Best Research Paper**. *American Accounting Association*. Next-Generation Accounting Interviewing: A Comparison of Human and Embodied Conversational Agents (ECAs) as Interviewers, AIS Mid-Year Meeting.

- 2016, **Inventor of the Year for Information Technology**. *Tech Launch Arizona* (University of Arizona), I-Squared (Innovation & Impact) Award. https://techlaunch.arizona.edu/news-events/awards-honors/i-squared-awards-invention-impact

- 2013, **Best Business Developed Serious Game and Best Adaptive Force Award**. *Office of the Secretary of Defense.* Serious Games Showcase & Challenge (SGS&C) at the Interservice / Industry Training, Simulation and Education Conference (I/ITSEC).

- 2013, **Distinguished Educator in Information Systems**. *Information Systems & Computing Academic Professionals Education Special Interest Group. https://iscap-edsig.org/edsig/educators/index.php?year=2013*

- 2012, **Distinguished Alumni***. The University of Montana Alumni Association*.

- 2011, **Best Paper Award**. *AIS Transactions on Human-Computer Interaction*. Designing Emergency Response Dispatch Systems for Better Dispatcher Performance. "Designing Emergency Response Dispatch Systems" by Anna L. McNab, Traci J. Hess et al. (aisnet.org).

- 2011, 2010, 2009, 2008, 2007, 2006, 2005, 2004, 2003. **Dean's Fellow**; *Washington State University, College of Business.*

- 2011, 2009, 2006. **Outstanding Faculty Research Award**. *Washington State University, College of Business.* Awarded annually to a single individual.

- 2009, **AIS Fellow**. *Association for Information Systems*, https://ishistory.aisnet.org/awards/fellowaward/

- 2009, **Best Paper Award**, *AIS Senior Scholar Best Paper* of *2008*. https://misq.umn.edu/media-tasks-and-communication-processes-a-theory-of-media-synchronicity.html

- 2009, **Best Paper Award**. *MIS Quarterly Best Paper of 2008.* https://misq.umn.edu/media-tasks-and-communication-processes-a-theory-of-media-synchronicity.html

- 2009, **Outstanding Alumnus**, *School of Business Administration, University of Montana*. Awarded annually to a single individual.

- 2008, **Most-Cited Author**. *Scholarly Influence in the Field of Management: A Bibliometric Analysis of the Determinants of University and Author Impact in the Management Literature in the Past Quarter Century*, by P.M. Podsakoff, S.B. MacKenzie, N.P. Podsakoff, & D.G. Bachrach, Journal of Management, 34(4), 641-720.

- 2006, **Top-20 IS Researcher**. *In Search of the Primary Suppliers of IS Research: Who Are They and Where Did They Come From?*, by Clark, J.G., and Warren, J. Communications of the Association for Information Systems (CAIS), 18, 296-328.

- 2004, 1997. **Outstanding Faculty Service Award**. *Washington State University, College of Business and Economics.* Awarded annually to a single individual.

- 2001, **Profiled as a Distinguished Alumnus**. *Eller College of Business Magazine, University of Arizona.*

- 2001, **Featured Cover Story**, "Quest for the Best", *WSU Foundation Communiqué*, Winter 2000-01.

- 1999, **Featured Story**, *WSU Report from the President,* p. 22.

- 1999, **Featured Story**, *Washington CEO* magazine, April 1999, p. W-8.

- 1998, **Productive IS Researcher**. *An Assessment of Individual and Institutional Research Productivity in MIS* by K.S. Im and K.Y. Kim, Decision Line, December / January, 8-12.

- 1996, **Subhedar Faculty Fellow**. *Indiana University School of Business*; five-year endowed appointment for excellence in teaching, research, and service.

- 1995, **Exceptional Inspiration and Guidance Award**. *Indiana University School of Business Doctoral Student Association*, 1994-95.

- 1993, **Best Paper Award**. *Best Information Systems publication in all Academy of Management publications.* Electronic Brainstorming and Group Size. https://journals.aom.org/doi/abs/10.5465/256377

- 1992, **Best Paper Award**. *Alpha Kappa Psi Distinguished Publication in Business Communication*. Electronic Brainstorming and Group Size. https://journals.aom.org/doi/abs/10.5465/256377

- 1992, **Outstanding Teaching Performance**. *Indiana University, MBA program, Certificate of Recognition*.

- 1991, **Outstanding Teaching Performance**. *Indiana University, MBA program, Outstanding Teacher Finalist.*

- 1990, **Invited Participant**. *Social Science Research Council Early Career Workshop,* sponsored by the Markle Foundation and the National Science Foundation, Washington D.C.

- 1988, **SIM Doctoral Consortium Fellow**. *International Conference on Information Systems.*

- 1986-89, **Academic Tuition Scholarship**. *MIS Department, University of Arizona*.

- 1982-83, **Tuition and Fees Scholarship**. *School of Business, University of Montana*.

- 1977-82, **Intercollegiate Athletic Scholarship** (Track and Field). *University of Montana.*

RESEARCH GRANTS / FUND RAISING / VENTURE CAPTIAL

1.	Identity Verification using Answering Correctness and Behavior for Geo-Location Entities (Roads and Points of Interest) Relevant to a User's Primary Address. Tech Launch Arizona. **$100,000**. June 2023.

2.	Equity Funding from Venture Capital for Neuro-ID, November 2021, **$35,000,000** (Canapi Ventures was lead investor, with TTV Capital and FinVC participating).

3.	Equity Funding from Venture Capital for Neuro-ID, December 2020, **$7,000,000** (FinVC was lead, with TTV Capital and Canapi Ventures participating).

4.	Equity Funding from friends / family for Neuro-ID, multiple events between 2014-19, **$7,500,000**.

5.	Movement Analysis Project II. Microsoft. **$91,000**. Status: Awarded August 2018.

6.	Movement Analysis Project. Microsoft. **$69,770**. Status: Awarded September 2017.

7.	TWS SBE: Small: Identifying Malicious Insiders through Mouse Cursor Movements. PI. 36 months, **$299,932**. National Science Foundation. Status: Awarded. 2016-19.

8.	The Effects of Gamification of Student Activity and Performance Metrics on Course Engagement and Learning. J. Valacich, R. Yueh. Academic Partnerships. **$10,000**. 2014.

9.	Detecting Impostership through Soft Biometrics and Cognitive Metrics. Judee Burgoon, Joe Valacich, Nathan Twyman, Jeff Proudfoot, Mark Grimes, Stephanie Schuckers (CU), Center for Identification Technology Research. **$55,000**, 2013-14.

10.	Biometrics in the Cloud: Development of a Biometric Research Data Portal Testbed. Bojan Cukic, Stephanie Schuckers, Judee Burgoon, Joe Valacich, Michael Schuckers, Matt Valenti. Center for Identification Technology Research. **$65,000**. 2013-14.

11.	Credibility Assessment and Intelligence Analysis Training in a Serious Game. Status: Funded. Multi-year review / renewal (2012-13). Senior Personnel. Agency: IARPA. **$10,700,000** to multiple universities.

12.	AMCIS 2012. Led fund raising efforts for conference. **$60,000**.

13.	International Conference on Information Systems; Social event at the Boeing Museum of Flight, December 2003. **$107,000** donation from The Boeing Company.

14.	International Conference on Information Systems; Social event at The Experience Music Project, December 2003. **$25,000** donation from Jeff Raikes (Microsoft Corporation).

15. The Virtual, Wireless Classroom: Learning without Limits. Co-Principle investigator with L. Jessup. Northwest Academic Computing Consortium, spring 2001. **$50,000**.

16. Distinguished Professorship, (Peter and Mary Guay). Worked with the CBE Administration to raise this endowment, spring 2000. **$250,000**.

17. Expand MIS program faculty and graduate students. Washington State HECB. January 2000. (Principal investigator with WSU Provost Office). **$500,000** (annually to Department budget).

18. MIS Teaching Laboratory. Washington State HECB. December 1999. (Principal investigator with WSU Provost Office). **$125,000**.

19. Software. Microsoft Corporation, August 1999. (Principal investigator). **$825,000** (retail value).

20. Technology-Mediated Distance Learning, Indiana University School of Business, competitive summary research grant, November 1994. **$9,000**.

21. Equipment grant, Eight Video Enabled "Vistium" computer workstations, $50,000, AT&T, August 1994 (principal investigator). This request was part of a joint project between Indiana University and the University of Maryland (Maryam Alavi and Bradley C. Wheeler). My colleagues at Maryland also received a $50,000 equipment grant. The project was also awarded $150,000 to fund faculty travel, release time, subject participation fees, communication line charges, and other ancillary expenses. Total funding of this project across both universities was **$250,000**.

22. ISDN Telephone Connection Time. 200 hours, AT&T, spring 1994. **$5,000** (estimated value).

23. Effects of Technological Support and Differing Tasks on Processes and Performance of Dyads, AT&T, May 1992 (principal investigator). **$32,339**.

24. Extended Enterprise Analysis (with D. Vogel), funded by the NSF/Center for Information Management Research, 1989. **$40,000**.

25. Enterprise Analysis," (with D. Vogel), funded by the NSF/Center for Information Management Research, 1989. **$40,000**.

57. Coraggio, L. (member—University of Arizona). Deleterious effects of intermittent interruptions on the task performance of knowledge workers: A laboratory experiment. 1990. Tenured Associate Professor at Troy State University (deceased). (I was an unofficial member, given that I was on a visiting appointment, but played a significant role in guiding this work.)

TEACHING, CURRICULUM DEVELOPMENT AND INNOVATION

Teaching Experience

- Strategic Management of Information Systems (UA MBA, WSU, IU – full-time, executive, online, evening)

- Information Systems Analysis and Design (UA, WSU, IU – undergraduate / graduate)

- Web Technologies and Innovation (WSU – full-time & online undergraduate)

- Information Systems Project Management (WSU, Buskerud College (Norway) – undergraduate)

- Information Systems Management (WSU, Riga (Latvia) Technical University; Norwegian University of Life Sciences – undergraduate / MBA)

- Collaborative Computing (Helsinki School of Economics and Business – MBA)

- Dissertation Development (IU; WSU – Ph.D.)

- Readings in Management Information Systems (IU; WSU – Ph.D.)

- Database Management (IU – undergraduate / MBA)

- Production and Operations Management (UA – undergraduate)

- Introduction to Business Information Systems (City University, Seattle – undergraduate)

- Data Structures (City University, Seattle – undergraduate)

- FORTRAN and Pascal Programming (City University, Seattle – undergraduate)

Curriculum / Program Development

- Eller College Online Program Task Force (2022-present).

- Management Curriculum for the Digital Era (MaCuDE) Task Force Member. AACSB Digital Transformation Affinity Group. Discovering role of emerging digital technologies (e.g., AI, blockchain, etc.) in business education (2020-2023).

- MIS 585 – Strategic Management of Information Systems – designed multiple delivery modalities (in person, asynchronous online, hybrid executive. 2018-present.

- Developed 5 MIS-related online courses for Eller Executive Education and Academic Partnership. 2013-15.

- Eller Non-Degree Specializations, Director, 2013-14.

- Design of course, program, and reward structures for Eller Online Initiatives, Director, 2013-4.

- ACM / AIS joint task force on the design of *IS 2010: Model Curriculum and Guidelines for Undergraduate Degree Programs in Information Systems*. Co-Chair.

- WSU undergraduate curriculum revision task force (MIS 325, 425/426), Spring 2009.

- ACM / AIS joint task force on the revision to the Master of Science in Information Systems Model Curriculum (*MSIS 2006*). 2004-06.

- Design team member for "New MBA"; Washington State University. 2003-04.

- ACM, AITP and AIS joint task force on the design of *IS 2002: Model Curriculum and Guidelines for Undergraduate Degree Programs in Information Systems*. 2000-02.

- ACM / AIS joint task force on the design of *MSIS 2000: Model Curriculum and Guidelines for Graduate Degree Programs in Information Systems*. 1998-2000.

- Designed First PhD Program in MIS at WSU, Fall 1999.

- WSU undergraduate / graduate MIS program redesign. Led redesign resulting in five new classes (MIS 150, 153, 375, 572, 574); new MBA concentration in MIS, and an undergraduate minor in MIS. 1997.

- ACM, DPMA, and AIS joint task force on the design of *IS'97: The Model Curriculum for Information Systems* (undergraduate). 1995-1997.

- MBA Integrative Core Curriculum, Indiana University, founding member (1991-96).

Curriculum Innovation

- Flipped Classrooms: MIS 541 – recorded all lectures and class time was used for presentations, demonstrations, problem solving (MIS 541). 2014-2019.

- Course Development Structure / Model: creating self-contained online courses for Academic Partnerships and Eller Executive Education. 2013.

- Design of project management (MIS 448) and systems analysis and design (MIS 472) courses within WebCT Learning Platform for MIS Online in 2001-02; demonstrated model for building online courses.

- Lead the evolution to MIS Online at WSU which delivered entire MIS undergraduate program to students around the world in 2000.

- Used team collaboration technology to reinforce the concepts of group facilitation, remote teamwork, within the context of collecting requirements for the construction of an information system in early 1990s.

- Used expert system technology to reinforce concepts of the prototyping design methodology and the difficulty of team-based systems development in early 1990s.

- Co-Director, Digital Communications Academy, Indiana University. I recruited DCA Industry Advisory Board (AT&T, Northern Telecom, Sprint, Cisco, and EDS); designed curriculum; managed Advisory Board, 1995-96.

- Used the development of a MIS reporting system for a small business as an integrating mechanism in the Indiana MBA core; groups developed management reports for a video rental store based on a database of customer transactions in the mid-1990s.

- Used desktop video conferencing technology to support distributed collaborative learning; teams composed of Indiana University and University of Maryland MBA students in the early 1990s (supported by AT&T).

- Integrated CASE (computer aided software engineering) technology in the system analysis and design in early 1990s.

- Used the Internet and World Wide Web for student-teacher communication and for the dissemination of syllabi, software, class notes, and lectures by mid 1990s. Created model used by other faculty.

- Approached Oracle Corporation to bundle their database and development tools with my systems analysis textbook; this agreement provided enterprise-level software with a retail value of more than $12,000 per copy in the hands of students for a cost of CD media (around $8) in mid 1990s.

Executive Education

I have conducted numerous corporate training sessions on an ad hoc basis for many organizations, including Ameritech, AT&T, Boeing, Bristo-Myers Squibb, CACI, Dow, EDS, Exxon, Federal Bureau of Investigation, FedEx, General Motors, Hill-Rom, IBM, Microsoft, NCR, Sara Lee, State Farm, U.S. Army, U.S. Air Force, and Xerox. I was a core faculty member in several different Indiana University and University of Arizona Executive Education programs, including: the *Indiana University Service Partnership for Management Development, The Indiana Executive Program, The Indiana Partnership for Management Development, and University of Arizona Eller Executive Education*.

PROFESSIONAL ACTIVITIES AND SERVICE (National / International)

Editorial Duties:

- Editorial Board, Journal of Management Information Systems, February 2015-present.

- Preeminent Editor, ACM SIGMIS: The Data Base for Advances in Information Systems, 2015-present.

- Advisory Board, *American Journal of Business,* March 2012-2018.

- Co-Editor in Chief, AIS Transaction on Replication Research, October 2014-16.

- Co-Editor in Chief, AIS Transaction on Human-Computer Interaction, July 2013-16.

- Editorial Board, Foundations and Trends in Information Systems, 2013-15.

- Associate Editor, *ACM Transactions on MIS*, March 2009-14.

- Senior Editor, *MIS Quarterly*, 3-year term began January 2008-14 (last managed paper – Jan 2016); renewed for second 3-year term, January 2011.

- Advisory Board, *Information Technology and Management Journal*, October 2003-15.

- Editorial Board, *Small Group Research*; December 1995-2010.

- Associate Editor, *Decision Sciences*, 2005-09.

- Associate Editor, *Information Systems Research;* January 2001-07.

- Associate Editor, *MIS Quarterly*, October 1994-2000.

- Co-editor of special issue of <u>Database</u>, Volume 30(3&4), Summer-Fall (1999) focusing on Group Support Systems (with Alan Dennis).

- Co-editor of special issue of <u>Small Group Research</u> (1993) focusing on Group Support Systems, Vol. 24, No. 3.

Association for Information Systems (AIS) Professional Society:

- AIS SIGHCI Advisory Board, 2007-present.

- Executive Committee, Association for Information Systems, 2013-14; 2004-05.

- Co-Chair, AIS, ACM Joint Task Force Re-designing the Undergraduate IS model curriculum; 2007-10.

- AIS, ACM Joint Task Force Re-designing the Master of Science IS Curriculum Standard, 2003-06.

- Chair, Finance Committee of the Association for Information Systems, 2004-05.

- Board of Directors of the Computing Sciences Accreditation Board (CSAB), representing the Association for Information Systems (AIS), 2001-04.

- Executive Committee, AIS, AITP, ACM task force updating MIS undergraduate curriculum standards (IS 2002), 2001-02.

- Executive Committee, National Science Foundation Panel to Define Accreditation Standards for Information Systems Programs, 1999-2001.

- AIS, ACM joint task force designing the Master of Science IS curriculum standard, 1998-2001.

- AIS, DPMA, ACM task for designing MIS undergraduate curriculum standards, 1993-95.

International Conference for Information Systems (ICIS):

- Co-Chair, Professional Development Workshop, ICIS 2022, Copenhagen, Denmark.

- Conference Honorary Chair, ICIS 2021, Austin Texas.

- ICIS Executive Committee Member, 2011-13; 1998-2000; 2002-04.

- Doctorial Consortium Co-Chair, ICIS 2012, Orlando.

- Doctorial Consortium Faculty Mentor, ICIS 2011, Shanghai.

- Track Chair, IS Curriculum and Education, ICIS 2009, Phoenix.

- Junior Faculty Consortium, Faculty Counselor, ICIS Conference, 2005.

- Chair, Executive Committee, ICIS Conference, 2004-05.

- Conference Co-Chairperson, ICIS 2003, Seattle, WA.

- Conference Vice-Chairperson, ICIS 1999, Charlotte, NC.

Hawaii International Conference on System Sciences (HICSS):

- Track Chair: Internet and Digital Economy, 2018-present.

- Mini-Track Chair: Human Computer Interaction, 2006-present

- Doctorial Consortium, Faculty Mentor, 2020-23.

- Mini-Track Chair: Wireless Mobile Collaboration, 2002-09

- Mini-Track Chair: Group Support Systems, 1993-2001

- Mini-Track Chair: Group Decision Support Systems, 1992

- Mini-Track Chair: Decision Support Systems, 1991

Americas Conference on Information Systems (AMCIS):

- Co-Chair, Social Events, AMCIS 2021, Salt Lake City.

- AMCIS Site Advisory Committee, 2013-15.

- AMCIS Executive Committee Member, 2011-14.

- Conference Co-Chair, AMCIS 2012, Seattle, WA.

- Co-Chair, MIS Camp, AMCIS 2007.

- Faculty Counselor, MIS Camp, AMCIS Conference, 2005; 2002.

- Co-Chair, Doctoral Mini-Track, AMCIS Conference, 1996-2000.

- Mini-Track Co-coordinator, Group Supported Collaboration, AMCIS Conference, 1996-98.

Other Conference and Reviewing Assignments:

- Conference Co-Chair, 2022-present. MIPRO Conference on Human-Computer Interaction; Opatija, Croatia.

- Program Co-Chair, 2018, The 2nd IEEE Symposium on Privacy-Aware Computing; Washington DC.

- Program Committee, 1996 IFIP Conference, The International Office of the Future: Design Options and Solution Strategies, Tucson, Arizona.

- Reviewer, 1994 Decision Sciences Institute (DSI) Doctoral Dissertation Competition.

- Reviewer, 1993 Decision Sciences Institute Doctoral (DSI) Dissertation Competition.

- Small Business Innovation Research (SBIR) review panel for the Decision, Risk, and Management Science Program at the National Science Foundation (NSF) in Washington, D.C., September 1993.

- Program Chair, Group Support Systems: New Perspectives Conference, May 15-17, 1992, Indiana University.

- Task Force on Organizational Decision Support Systems, Information Systems and Decision Processes Projects - sponsored by the National Science Foundation (NSF) and The Institute of Management Sciences (TIMS), 1989-91.

Frequent Manuscript Reviewer for various Journals and Conferences

PROFESSIONAL ACTIVITIES AND SERVICE (University of Arizona – UA)

University-Level Assignments / Activities (UA)

- Institutional Review Committee (IRC), June 2019-23.

- Faculty Search Committee, Systems and Industrial Engineering, 2015-17 & 2021.

- Systems and Industrial Engineering (SIE), Faculty Search Committee, Spring 2015, Spring 2021.

- School of Information, Faculty Search Committee, Fall 2018-19.

- Tech launch Arizona, member of Software Licensing Manager Search Committee, 2018-20.

- CIO Search Committee, Spring-Fall 2016.

- Systems and Industrial Engineering (SIE), Department Review Committee, 2015-16.

- Speaker, Systems Engineering, Fall 2011; 2012-16.

- E-textbook task force, member, Spring 2013-14.

Eller College-Level Assignments (UA)

- Research and Doctoral Studies Committee, Fall 2012-13; Fall 2014-17; Fall 2018-19.

- Graduate and Professional Student Council (GPSC); Spring 2017; Fall 2018-19.

- Non-degree Specializations, Director, Spring 2013-14.

- Online MBA Task Force, Lead, Spring 2013-14.

- MBA Task Force, Fall 2011-12.

- Executive Education Task Force, Fall 2011-Spring 2012.

- Eller Online Initiatives (Director) 2013-14.

MIS Department-Level Assignments (UA)

- Faculty Status Committee, Spring 2017-2018; 2020-2022.

- P&T Committee, Fall 2012-13; 2016-17 (chair); 2020-2022; 2023-24 (chair).

- PhD Department Committee, Fall 2011-present (chair, Fall 2011; 2016-17; 2018-2021).

PROFESSIONAL ACTIVITIES AND SERVICE (Washington State University – WSU)

University-Level Assignments (WSU)

- Graduate Education Commission, WSU, Spring 2005-06.

- Instructor / Club Advisor (with Master Ko) to WSU Taekwondo Sports Club, Fall 2001-06.

- WSU Trust and Respect Strategic Planning Implementation Team, Spring 2002-05.

- WSU Vice-Provost for Research Search Committee, Summer 2002-03.

- Speaker, WSU Alumni Association, March 2001.

- Provost Search Committee, 2000-01.

- Speaker, WSU Foundation Trustee Luncheon, Fall 2000.

- Speaker, WSU Publisher's Roundtable, September 2000.

- Speaker, WSU Board of Regents Fall Meeting, August 2000.

- Emerald City Rotary Club, keynote speaker, October 1999.

- Conducted a Faculty Fireside in Seattle, October 1999.

College-Level Assignments (WSU)

- College of Business, WSU, Promotion and Tenure Committee, Chair: Fall 2008-11; Member: 2004-08.

- College of Business, WSU, Doctorial Program Task Force, Fall 2005-11.

- College of Business, WSU, National Board of Advisors, keynote speaker; Nov 1999; Fall 2006; Spring 2007.

- Faculty Advisor, MIS Student Club, 1996-2002 (co-advisor with L. Jessup and M. Fuller in 2001-02).

- Ph.D. in Business Administration Committee, WSU, 1997-2001.

- Member, College of Business and Economics Tech Advisory Committee, WSU, 1996-2000. Chair 1996-97.

- Key Speaker, MIS e-Classroom Dedication (WSU President, Regents, Governor, US Senators), November 2000.

- Member, Organizational Behavior Faculty Search Committee, 1996-97.

Departmental-Level Assignments (WSU)

- Member, MIS Faculty Search Committee, 2001-06.

- Chair, MIS Curriculum Committee, 1996-2000. Lead effort for new MIS core course, major curricula revision for undergraduate program, new MBA concentration.

- Chair (or lead recruiter), MIS Faculty Search Committee, 1996-2000.

- Interviewed for Washington CEO magazine discussing MIS program, April 1999.

- Member, College of Business and Economics Strategic Planning Committee, 1997-98.

PROFESSIONAL ACTIVITIES AND SERVICE (Indiana University –IU)

University-Level Assignments (IU)

- Provided guidance to Linton-Stockton, Indiana, School District on the design and development of a computerized system to support collaborative learning, 1990-91.

- Reference faculty, Institute for the Study of Developmental Disabilities, Indiana University, 1990-96.

College-Level Assignments (IU)

- MBA Core Faculty Curriculum Redesign Committee, Departmental Curriculum Redesign Committee (MIS major), Indiana University, 1991-96.

- Electronic Classroom Design Committee, Indiana University, 1991-93.

- Faculty advisor to the MBA student professional organization Systems and Operation Management Association (SOMA, formally OSMOSIS), 1992-96.

- Judge to the 1995 Deloitte & Touché Consulting Challenge Case Competition, School of Business, Fall 1995.

- Computer Policy Committee, School of Business, 1993-94.

- Distance Learning Committee, School of Business, 1993-96.

- Research Policy Committee, School of Business, 1994-96.

- MBA Policy Committee, School of Business, 1995-96.

Departmental-Level Assignments (IU)

- Faculty Recruiting Committee, 1990 ICIS Meeting, Copenhagen, Denmark.

- Board Member, Indiana Institute for Research on the Management of Information Systems, 1991-96.

- Judge to the EDS Challenge, 1993, 1994, 1995.

- CIS Curriculum Development Committee, A&IS Department, 1995-96.

- Doctoral Program Committee, A&IS Department, 1995-96.

- Faculty Recruiting Committee, A&IS Department, 1995-96.

- MBA Program Committee (Chair), A&IS Department, 1995-96.

SELECTED PRESENTATIONS

- Illuminating Credibility Assessment Risk at Scale by Assessing Respondents' Answering Behaviors when Completing Online Surveys. Defense Innovation Unit, HQ. July 2023.

- Privacy Preserving Step-Up Authentication (aka KBA Killer): From Academic Research to Commercial Product Development. University of Miami, October 2022.

- Digital Behavioral Biometrics and Human Behavior. Federal Bureau of Investigation (FBI). Seminar for CPA Recertification Training. August 2022.

- Rigor, Relevance and Practical Significance: A Real-Life Journey to Organizational Value. Multiple locations: CIIS Research Series, University of Cologne, April 2022; Workshop on Information Technologies and Systems (WITS), December 2020; Case Western Reserve, December 2020; HEC Montreal, November 2020; IEEE ISI Conference, November 2020; University of Montana, October 2020

- Theory Driven Design: *How Human-Computer Interaction Research Informs Practice.* Multiple locations: IULM – University of Milan, October 2019; Keynote: Student Affairs and System Group, June 2019

- The Influence of Buying vs. Receiving an IT-based Device on User Commitment. 2018 Pre-ICIS SIG HCI Workshop, San Francisco, CA.

- Did I buy the wrong gadget? How the Evaluability of Technology Features Influences Technology Feature Preferences and Subsequent Product Choice. Harbin Institute of Technology, China. October 2018.

- A Research Protocol for Examining Countermeasures: Developing Ground Truth and Motivating an Adequate Malicious Base Rate. IEEE Privacy Aware Computing Conference. Washington, DC. September 2018.

- Inferring Emotion and Cognitive Changes through Human-Computer Interaction Devices: From Basic Research to Commercialization. Multiple locations: Claremont Graduate University, November 2018; University of Montana, September 2018; Indiana University, March 2018.University of Cincinnati, March 2018.

- How vs. What: Lessons Learned from an Early-Stage Tech Startup. Tech Launch Arizona's "Eureka! How to Recognize when Research Becomes Invention" event. August 2018.

- Mouse-Cursor Movement Indicators of Response Biases in Online Surveys. International Conference on Information Systems, December 2017, Seoul, South Korea.

- How > What. University of Arizona Alumni Event, Keynote, March 2017.

- Detecting Emotion via Human-Computer Interaction (HCI) Devices. Microsoft, March 2017.

- Sleight of Hand: Identifying Malicious Insider Threats through the Monitoring of Mouse-cursor movements. HICSS Deception Detection Symposium. January 2017.

- Lean Launch for UA Inventors and Inventions, Tech Launch Arizona, March 2016.

- Suspicion Detection in the Wild: Lessons Learned from an Early-Stage Company. HICSS Deception Detection Symposium. January 2016.

- The Role of Academic Networks in the Changing Landscape for Higher Education. Academic Network (Workshop) on Data-driven Innovation and Value Creation. Bentley University, June 22, 2015.

- Online Specialization for Developing Countries, Bizzell Award Finalist, Southwestern Business Deans' Association, July 2014.

- Objectively Measuring Ease-of-Use by Analyzing Mouse Movements, University of Delaware, April 2014.

- Scalable Threat Detection, ABC Situation Scope Seminar, Ylläs, Finland, April 2014.

- Is Higher Education Broken? One Disruptive Model to Not Only Survive, but Thrive. Information Systems Education Conference, EDSIG 2013 Distinguished Information Systems Educator, San Antonio, TX, 2013.

- Communication Strategy and Media Choice in a Deceptive Context. Credibility Assessment and Information Quality in Government and Business. Hawaii International Conference on System Sciences, January 2012.

- The Credibility Crisis in IS: A Global Stakeholder Perspective. ICIS 2011 (panel speaker), Shanghai.

- Strengthening IS Programs through the IS Model Curricula. AIS Webinar Series, May 2011.

- What Signal Are You Sending? How Website Quality Influences Perceptions of Product Quality and Purchase Intentions. Multiple locations: University of British Colombia; April 2011; Temple University; April 2011; City University of Hong Kong; November 2010.

- Enhancing the Motivational Affordance of Information Systems: The Effects of Real-Time Performance Feedback and Goal Setting in Group Collaboration Environments. Multiple locations: University of Arizona Research Colloquium; October 2009; University of Pittsburgh; October 2010; Indiana University; October 2010.

- Leaders for an Interconnected World; WSU Alumni Association Annual Meeting, Spring 2009 (with E. Spangenberg).

- Information Systems Model Curriculum Status Report. Multiple locations: ICIS, December 2009, Phoenix; ICIS, December 2008, Paris; AMCIS, August 2008, Toronto; ICIS 2007, Montreal; AMCIS, August 2007, Keystone, CO.

- Stimulating Online Impulse Buying through Web Site Design. Multiple locations: Temple University; November 2007; Michigan State University; November 2007; City University of Hong Kong; October 2007; University of Montana; February 2007; University of Washington; November 2006; Indiana University; May 2006.

- Advances in Mobile Devices and Applications. 20th Bled eConference, Slovenia, June 2007.

- Idea Generation in Computer Based Groups: Past, Present and Future. Multiple locations: University of Arizona Research Colloquium; October 2009; University of Utah Research Colloquium; December 2005.

- Computer-Mediated and Face-To-Face Groups: Who Makes Riskier Decisions? Multiple locations: University of Arkansas Research Colloquium; November 2005; University of Houston; November 2003.

- The Effects of Real-Time Individual Performance Feedback and Goal Setting on Computer-Mediated Group idea Generation. International Conference on Information Systems, Las Vegas, NV. December 2005.

- Commercialization of Innovations. College of Business and Economics, National Board of Advisors Meeting, Seattle; September 2005.

- Does Information Systems Still Matter? Lessons for a Maturing Discipline. International Conference on Information Systems; December 2004.

- Mobile Computing Overview. Shaping the Future of IT, University of Arizona 30th Anniversary Conference; November 2004.

- Teaching the Introductory MIS Course in 2004, <u>California State University at Fullerton</u>; August 2004.

- MIS@WSU.EDU. <u>Microsoft Corporation</u>; October 2003.

- Ubiquitous Trust: Evolving Trust into Ubiquitous Computing Environments. Conference on Ubiquitous Computing. <u>Case Western Reserve University</u>; October 2003.

- The AACSB International 2003 Accreditation Standards: Opportunities, Responsibilities and Challenges for the IS Discipline. Panelist with J. Mooney, Niederman, and R.T. Watson. <u>Americas Conference for Information Systems</u>.

- Developing a Research Stream, keynote speaker, <u>PhD Project</u> Information Systems Doctorial Students Association; <u>Americas Conference for Information Systems</u>, 2003 Pre-conference event.

- Building an IS Graduate Program. <u>Cal Poly Pomona</u>, May 2003.

- Building the Virtual Wireless Classroom, Half-day Tutorial at <u>Hawaii International Conference on System Sciences</u>. January 2002, with L. Jessup.

- ICIS in Seattle. A presentation to the <u>Association for Information Systems Executive Committee</u>. December 2001.

- IS 2002: An update of the Information Systems Model Curriculum. Joint presentation at The <u>International Conference on Informatics Education & Research (IAIM) / International Conference on Information Systems</u> (joint presentation on IS Curriculum), December 2001.

- MIS@WSU: Intense Growth and Demand, Best in the Northwest, and Mission to be World Class. Presentation to the <u>WSU Alumni Association</u>, March 2001.

- Technology and the Future. <u>Job Market Forum</u>, Washington State University, March 2001.

- What is MIS? Presentation to <u>Microsoft Research</u>, November 2000 (with B. Ives, L. Jessup & C. Okoli).

- Reengineering Professional Meetings: The Mobile Conference Information System. A presentation to <u>Microsoft Research</u>, November 2000 (with B. Ives, L. Jessup & C. Okoli).

- MIS Program Success and the Role of the MIS e-Classroom. Presentation at the MIS e-Classroom Rood Dedication, <u>Washington State University</u>, November 2000.

- Infusing Information Technology within the College of Business and Economics *and Beyond!* Multiple locations: WSU Foundation Trustee Luncheon, Fall 2000; WSU Board of Regents Fall Meeting, August 2000.

- MIS Program Mission, Goals, and Success. Presentation to the <u>WSU Publisher's Roundtable</u>, Washington State University, September, 2000.

- Designing Collaboration Technology Experiments. Half-day Tutorial delivered at the <u>Hawaii International Conference on System Sciences</u>. January 2000 (with A. Dennis).

- Groups and Technology: Programs of Research and Future Opportunities. <u>University of British Colombia</u>, Vancouver Canada: November 1999.

- Increasing the Role of Information Technology within the College of Business and Economics. <u>College of Business and Economics Dean's Advisory Board Meeting</u>, Seattle, WA, keynote speaker, November 1999.

- Groups and Technology: Programs of Research and Future Opportunities. <u>City University of Hong Kong</u>, October 1999.

- Conducting Experimental Research in Information Systems. <u>City University of Hong Kong</u>, October 1999.

- Increasing the Role of Information Technology within the College of Business and Economics, <u>Washington State University Faculty Fireside</u>, Seattle, WA, October 1999.

- Information Technology Jobs for the 21st Century. <u>Emerald City Rotary Club</u>, keynote speaker, Seattle, WA, October 1999.

- Conducting Experimental Research in Information Systems. Half-Day Tutorial delivered at the <u>Hawaii International Conference on System Sciences</u>. January 1999 (with A. Dennis).

- Opening Speaker for Ph.D. Mini-track. Third Annual Americas Conference on Information Systems, <u>Americas Conference on Information Systems</u>, Indianapolis, Indiana, August 1997.

- Research Seminar Guest Speaker on Group Support Systems Research Via Video Conference, <u>Harvard Business School</u> and <u>University of Maryland at College Park</u>, Spring 1997.

- MIS@WSU – Presentation to <u>Microsoft</u>, Redmond, WA, April 4, 1997.

- Supporting teams in the twenty-first century. Panel discussion, <u>International Conference on Information Systems</u>, December 1996.

- Groups Support Systems Research: A State of the Art Report. <u>CRWIG '96 Conference on Groupware</u>, Puerto Montt, Chile, September 1996. Conference Keynote Speaker.

- Opening Speaker for Ph.D. Mini-track. <u>Americas Conference on Information Systems</u>, Phoenix, Arizona, August 1996.

- Experiences with Desktop Video Telelearning, <u>Academy of Management Annual Meeting</u>, August 1995 (invited speaker).

- Group Support Systems - Research and Practice. <u>Indiana University Honors Program Seminar</u> (X493 - S. Michael Groomer, instructor), Spring 1996, 1995, 1994.

- Electronic Commerce: Preparing for business in the 21st Century. Presentation to the Information Management Affiliates, <u>Institute for Research on the Management of Information Systems</u>, Indiana University, April 1996.

- Using the Information Superhighway to support Organizational Learning: Content, Context, and Infrastructure. Paper presented at the <u>IFIP International Conference</u>, The International Office of the Future: Design Options and Solution Strategies, Tucson, Arizona, April 1996.

- Surfing the Information Highway: How businesses are using the Internet. <u>The Indiana University 50th Annual Business Conference</u>, March 1996.

- Creating and using the collaborative telelearning environment. Sixteenth <u>International Conference on Information Systems</u>, December 1995 (with B. Wheeler and M. Alavi).

- Integrating research methods, theories, literatures, and technologies: Research opportunities in GSS. Tutorial given at the <u>Americas Conference on Information Systems</u>, August 1995 (with L.M. Jessup & A. Dennis)

- Surfing the Internet. <u>Indiana University Honors Program Seminar</u> (X493 - S. Michael Groomer, instructor), spring 1995.

- Experiences with Using Desktop Videoconferencing in Distance Education. Indiana Partnership for Statewide Education Distance Learning Workshops. <u>Center for Excellence in Education</u>, School of Education, Indiana University, May 1995.

- Telelearning via Desktop Videoconferencing, A presentation to <u>A.T.&T.</u> Account Executives, September, October, November 1994 (multiple presentations).

- Using Desktop Video Conferencing for Distance Learning, <u>Center for Excellence in Education</u>, Indiana University, June 1994 (invited speaker).

- Experiences in Using Desktop Video Conferencing, presented via video conferencing to multiple locations: AT&T Distance Learning Showcase, Washington, D.C., April 1994; AT&T WorldWorx Press Conference, New York, June 1994; AT&T WorldWorx R&D Group, Cincinnati, OH, June 1994.

- The State of the Art in Group Support Systems Research. <u>International Conference on Information Systems</u>, December 1993 (with A. Dennis and R. Anson).

- Dyads and Media Richness Research Report Briefing. Indiana University, <u>Center for Excellence in Education</u>, October 1993.

- Issues in computer-mediated communication and media richness. <u>Indiana University, School of Journalism</u> graduate seminar (Chris Ogan, instructor), October 1993.

- The use of group support technology to support system requirements definition, <u>C.A.C.I.</u> - Washington D.C., June 1993

- Idea Generation in Computer-Based Groups: A New Ending to an Old Story, <u>University of Illinois</u>, Psychology Department - Group Research Laboratory (Joe McGrath Director), November 1992.

- The use of group support technology to support student groups, NCR Electronic Classroom Dedication, <u>Indiana University</u>, November 1992.

- Effects of Technological Support and Differing Tasks on Processes and Performance of Dyads, <u>Center for Excellence in Education</u>, Indiana University, October 1992.

- Life as an assistant professor at a large research school, <u>Group Support Systems: New Perspectives Conference Doctoral Consortium</u>, Indiana University, May 1992.

- Using Comments, a Distributed Group Support System, to Support Quality Improvement. Multiple locations: Exxon Corp., Houston, TX, July 1991; Government Group Decision Technology Conference, Federal Executive Institute, Charlottesville, VA, Sept. 1991; Indiana University, MIS Advisory Council Meeting, 1990,91; Wright Patterson Air Force Base, Dayton, OH, Sept. 1991; Conference on Collaborative Learning in Higher Education, Indiana University, Oct. 1990; NCR Corp., Dayton OH, June 1991 (with J. Hoffer & B. Wynne); NCR Corp., Columbia, SC, June 1991; University of Montana, Missoula, July 1991; Indiana University, School of Education, Graduate Colloquium for Instructional Systems Technology, November 1991.

- Using Electronic Group Support Tools to Support Enterprise Collection of Business Processes and Measures. Multiple locations: IBM, Federal Systems/Systems Integration Div., Owego, NY, Aug., 1988; NSF Joint Center of Excellence Meeting, Tucson, AZ, June 1989; NSF Joint Center of Excellence Meeting, Atlanta, GA, May 1990; IBM / Arizona Research Colloquium, Tucson, AZ, Nov. 1990.

- The Impacts of GDSSs on Organizational Decision Process and Outcomes, International Conference on Information Systems Doctoral Consortium, Minneapolis, MN, December 1988.

- A Group-Based Graphical Browser to Support Business Process Identification and Redesign, IBM, Federal Systems / Systems Integration Divisions, Owego, NY, July / Aug. 1988.

- An Artificial Intelligence Based Message System, NSF Joint Center of Excellence Meeting, Atlanta, GA, June 1988.

- Using Group Support Technology to Support Group Based Learning, Itesm University, Mexico City, May 1988.
